KRITESH TIMSINA

Frontend Developer

✉ kriteshtimsina55@gmail.com   ⊚ Kathmandu, Nepal   ⊚ kriteshtimsina.com.np

Graduated with a degree in Computer Science and Information Technology (BSc. CSIT) from Tribhuvan University. I am a dedicated web and mobile developer with expertise in React for web development and React Native for mobile applications. Having honed my skills during my undergraduate studies, I am well-versed in JavaScript, with a strong foundation in frontend technologies. Additionally, I have expanded my knowledge to backend technologies, particularly Express JS.
